<u>Job Title:</u>	Gardens and Greenhouse Technician
<u>Reports To:</u>	Display Horticulture Manager and Nursery Manager
<u>Department:</u>	Horticulture
<u>Supervisory Responsibility:</u>	None
<u>FLSA:</u>	Non-exempt
<u>Full Time Position:</u>	Hourly, 40 hours per week

Position Summary: Do you enjoy being outside and working in the garden? Or perhaps you really like potting up plants and growing them in a greenhouse? We're expanding our full-time horticulture team and need garden enthusiasts like you to help us care for the tens of thousands of plants that make Bellingrath so special. That includes everything from planting and watering to pruning, fertilizing, potting, and greenhouse work. You'll be part of a team of skilled gardeners and greenhouse technicians, working alongside both seasoned professionals and fellow plant lovers. We'll work with you to shape your 40-hour workweek based on your strengths and interests—so tell us what you enjoy doing most, and let's see what we can create together. You don't have to know it all; we'll meet you where you are. This is a full-time, year-round position with consistent hours and the chance to grow within our horticulture team. There's a whole garden waiting to grow with your help. Please include a resume and cover letter with your application.

Primary duties include:

- Plant annuals, perennials, shrubs, and trees
- Propagate and pot up plants
- Water, weed, fertilize, and care for display gardens
- Prune and shape to keep everything looking its best
- Help with turf care and small landscape projects

Secondary duties may include:

- Small tree and shrub cut-downs or removal
- Minor irrigation installation and repair
- Clean and maintain water features
- Other special projects as assigned

Knowledge, Skills and Abilities:

- Proven work ethic
- Hands-on gardening or greenhouse experience (professional or personal, we value both)
- Able to lift at least 35 lbs.
- Proven ability to work independently, but happy to work side by side with others
- Able to work outdoors in the warm South Alabama climate
